No. 1: Play Notes

UMass Lowell Performamatics Project

Alex_Ruthmann@uml.edu and Jesse_Heines@uml.edu

The image shows a Scratch script on a light blue background. It starts with a 'when green flag clicked' block. This is followed by a 'set instrument to 72' block, which is connected to a yellow text box containing 'instrument: clarinet, speed: twice normal (60 bpm)'. Next is a 'set tempo to 120 bpm' block. The script then contains five 'play note' blocks: '55 for 1 beats', '55 for 1 beats', '55 for 0.75 beats', '57 for 0.25 beats', and '59 for 1 beats'. The second '55 for 1 beats' block is connected to a yellow text box containing the lyrics: 'Row,', 'row,', 'row', 'your', 'boat'. At the bottom, there is a yellow text box with the text: 'SUGGESTION: To improve timing, set Turbo Speed: Edit -> Set Single Stepping... -> Turbo Speed'.

```
when green flag clicked
  set instrument to 72
  set tempo to 120 bpm
  play note 55 for 1 beats
  play note 55 for 1 beats
  play note 55 for 0.75 beats
  play note 57 for 0.25 beats
  play note 59 for 1 beats
```

instrument: clarinet, speed: twice normal (60 bpm) ||

"Row,"
"row,"
"row"
"your"
"boat" ||

SUGGESTION:
To improve timing, set Turbo Speed:
Edit -> Set Single Stepping... -> Turbo Speed ||
