

**BASIC TEXT**

# Corrections Special School District

*(PRO Manual, pages 45-46)*

## What types of courses are available from CSSD?

- Basic reading, language and math courses to help illiterate and special students.
  - English-as-a-Second-Language (ESL) instruction for limited-English speaking education inmates.
  - Intermediate instruction in reading, language mechanics, social studies, science, and mathematics designed to bridge the gap between basic skills and high school level work.
  - High school level courses offering all the credits toward a high school diploma.
  - A Resource Room to provide extra help for students who need individualized academic assistance.
  - Career development, business and computer related instruction.
  - Life skills instruction often offered in coordination with other departmental staff in subjects such as anger management, problem solving, personal finance, health and nutrition.
-
